

Title:

Main website Phi Sigma Kappa

Client:

Phi Sigma Kappa

Goal:

The goal is to create a separate page for alumni and visitors. The active chapter currently shares a website with the alumni and visitors which causes bugs and disorganization. This allows the alumni to have their own page for donations and another feedback on active chapter.

Audience:

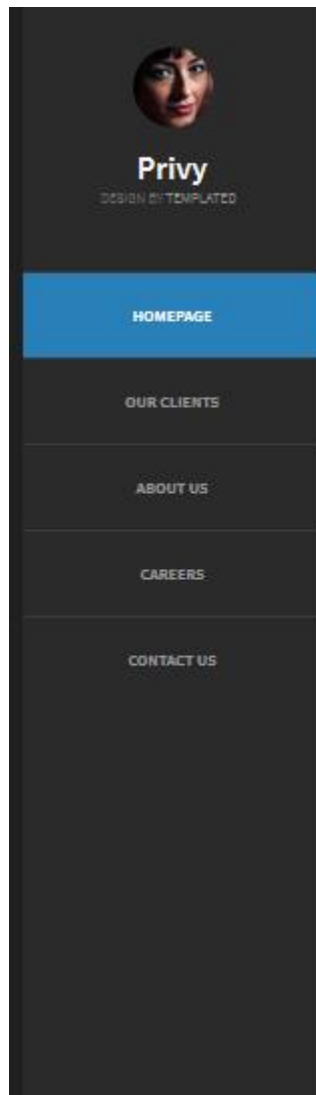

The alumni and any visitors.

The project road map would 3 stages; idea generation, website design prototype in balsamic, and final html implementation. We are in the design prototype stage. We have approval from the professor and the organization for the website. As of right now we are thoroughly working on design development.

Pages:

- 1.Home
- 2.About US
- 3.Donations
- 4.Scholarship
- 5.Events & Calendar
- 6.Contact US
7. Active Chapter

Template

fusce ultrices fringilla metus

Donec leo, vivamus fermentum nibh in augue praesent a lacinia at urna congue

This is Privy, a free, fully standards-compliant CSS template designed by [TEMPLATED](#). The photos in this template are from [Fotograph](#).
